

ACADEMIC DETAILS

- **VPM'S Vidya Mandir, Dahisar.**
X | 2015
Marks - 92.00%,
- **Thakur Polytechnic, Kandivali.**
Diploma in Computer Engineering |
2018
Marks - 90.69%
- **D. J. Sanghvi College Of Engineering, Vile Parle.**
| Pursuing.

SKILLS

- **Tools** - MS Word, MS Excel, MS PowerPoint, WordPress, Figma.
- **Programming Languages** - Java, C, python, HTML, CSS.
- **Data Science and Data Analysis.**

BADGE EARNING:

- **Earned a badge from IBM for "Data Analysis with Python".**

CERTIFICATIONS & COURSES

- Completed course "Data Analysis in Python" by IBM on Coursera
- Completed "Crash Course with Python" by Google On Coursera.
- Completed "Crash Course in Data Science" by Johns Hopkins University On Coursera.
- Completed some short online courses on Udemy
 - a. WordPress Website development
 - b. UI/UX designing using Figma.
- Attended Some offline short duration workshops
 - a. Python and Django by Thakur College Of Engineering.
 - b. Ethical Hacking by IIT.

PAPERS PUBLISHED

- A Survey On Technology: Brain Computer Interface in IJIRCCE, Volume 7, Issue 5, May 2019.
- A Survey On Computer Vision And Image Processing in IJIRCCE, Volume 7, Issue 1, January 2019.
- Interior Design Using Augmented Reality in IRJET, Volume 6, Issue 1, January 2019.
- Multi Featured Robot Car With Arduino in IJIRSET, Volume 7, Issue 1, January 2018.

INDUSTRIAL TRAINING

- Completed 1 month industrial training from **LARSEN & TOUBRO (L&T)** institute, Malad with 'A' grade.

INTERNSHIP

- Worked as Research Analyst Intern at **Research Guruji, India** from June 2019 to July 2019.

PROJECTS

- **Multi Featured Robot Car With Arduino**
This Project contains the feature of Bluetooth control and obstacle avoidance. This robot car has two distinguished modes, such as Bluetooth control and obstacle avoidance mode.
- **Sentiment Analysis with scikit-learn**
Completed this guided project from coursera
- **Data Science Web App With Streamlit And Python**
Completed this guided project from coursera.

EXTRACURRICULAR

- Actively Participated at different state and national level competitions such as "Technical Paper Presentation" and "project Competitions".
- Won 1st prize at "Technical Poster Making and Presentation" competition.
- Won 2nd prize at State Level Quiz competition.
